

	Common Name	Variety	Description
BEECH			
<i>Fagus sylvatica</i>	Beech	Aspi	
<i>Fagus sylvatica</i>	Beech	American	
<i>Fagus sylvatica</i>	Beech	Beth Dwarf	15'x8', small purple leaves which turn brown in fall but often remain on the tree until spring
<i>Fagus sylvatica</i>	Beech	Dawyck Purple	25-50'x6-15', columnar habit with dark purple leaves and pale gray bark
<i>Fagus sylvatica</i>	Beech	Purple Fountain	15-30'x10-15, columnar tree with bronze/purple leaves, cascading branches, fall color is yellow which fades to orange-brown
<i>Fagus sylvatica</i>	Beech	Purple Fountain	15-30'x10-15, columnar tree with bronze/purple leaves, cascading branches, fall color is yellow which fades to orange-brown
<i>Fagus sylvatica</i>	Beech	Tricolor	
<i>Fagus sylvatica</i>	Beech	Tricolor	24-40'x30', gray bark, green/pink/white/copper foliage
BIRCH			
<i>Betula nigra</i>	Birch/River Birch	Heritage	70'x40'-60', fast growing, pyramidal shaped multibranch, prized for foliage and peeling bark, thrives in wet soils
<i>Betula nigra</i>	Birch/River Birch	Heritage	70'x40'-60', fast growing, pyramidal shaped multibranch, prized for foliage and peeling bark, thrives in wet soils
<i>Betula nigra</i>	Birch/River Birch	River	40-70'x40-60', green foliage, flowers, thrives in wet soil
<i>Betula populifolia</i>	Birch/Asian Birch	Whitespire clump	20-40'x10-20', non-peeling chalky white bark, long triangular green foliage, flowers
<i>Betula utilis</i> var.	Birch/Paper Birch	Jacquemontii clump	30-50'x20-35', white peeling bark, 1-3" green leaves, produces flowers in late spring
<i>Betula pendula</i>	Birch/Weeping Birch	Youngii Serpentine	8-10'x15', weeping, s-shaped trunk, green foliage, yellow flowers, gray trunk
CHERRY			
<i>Prunus cistena</i>	Sand Cherry	Purple Leaf	
<i>Prunus serrulata</i>	Cherry	Kwanzan	
<i>Prunus serrulata</i>	Cherry	Kwanzan	
<i>Prunus subhirtella</i>	Winter Cherry	Pendula	
<i>Prunus x</i>	Weeping Cherry	Snow Fountain Serpentine	8-15'x6-12', green foliage, white flowers in spring, red/black fruit in summer, S-like trunk
<i>Prunus x</i>	Weeping Cherry	Snow Fountain	8-15'x6-12', green foliage, white flowers in spring, red/black fruit in summer
CHOCKECHERRY			
<i>Prunus virginiana</i>	Chokecherry	Canada Red	25-30'x15-20', small white flowers in spring followed by small black fruit, green foliage turns burgandy
	Chokecherry	Brilliant	
CRABAPPLE			
<i>Malus x</i>	Crabapple	Callaway	
<i>Malus x</i>	Crabapple	Camzam	
<i>Malus x</i>	Crabapple	Coralburst	10'x12', compact tree with dark green foliage, semi-double rose/pink flowers in spring, then bronze red ornamental fruit
<i>Malus</i>	Crabapple	Pink Spires	
<i>Malus x</i>	Crabapple	Prairie Fire	15-20'x15-20', fragrant pink/red flowers in spring, followed by purple-red crabapples
<i>Malus x</i>	Crabapple	Red Jade (Weeping)	
<i>Malus x</i>	Crabapple	Royal Raindrops	15-20'x12-16', magenta blooms in April, green/deep purple foliage
<i>Malus x</i>	Crabapple	Royal Raindrops	15-20'x12-16', magenta blooms in April, green/deep purple foliage
<i>Malus x</i>	Crabapple	Showtime	15-22'x12-20', fuschia-pink flowers in spring, bright red crabapples in fall, dark green foliage
<i>Malus x</i>	Crabapple	Spring Snow	
<i>Malus x</i>	Crabapple	Snowdrift	15-20'x15-20', fragrant white flowers in mid spring, followed by orange/red fruit, green foliage turns golden in the fall
		Royalty	
DOGWOOD			
<i>Cornus florida f. rubra</i>	Dogwood	Rubra	15-30'x15-30', best in part shade, 4 seasons of interest, 3-4" pink/red blooms in Spring, green foliage
<i>Cornus florida</i>	Dogwood	Cherokee Chief	15-20'x20-25', foliage is bronze/red, maturing to green, then burgandy-red foliage, ruby-red flowers in Spring
<i>Cornus florida</i>	Dogwood	Cloud Nine	
<i>Cornus florida</i>	Dogwood	Cloud Nine	20-30'x20-35', white flowers in April/May, green foliage
<i>Cornus florida</i>	Dogwood	Pink	
<i>Cornus kousa</i>	Dogwood	Galilean	20'x25'
<i>Cornus kousa</i>	Dogwood	Satomi	12-20'x12-20', light pink blooms in May/June, green foliage
<i>Cornus kousa</i>	Dogwood	Scarlet Fire	25'x20', deep pink flowers in Spring/Summer, green foliage turns red in fall
<i>Cornus kousa</i>	Dogwood	Scarlet Fire	

	Common Name	Variety	Description
Cornus kousa	Dogwood	Scarlet Fire	25'x20', deep pink flowers in Spring/Summer, green foliage turns red in fall
Cornus x	Dogwood	Stellar Pink	
Cornus x	Dogwood	Stellar Pink	15-30'x15-30', light pink blooms in April/May, does not produce fruit, green foliage
Cornus x	Dogwood	Stellar Pink	15-30'x15-30', light pink blooms in April/May, does not produce fruit, green foliage
Cornus kousa	Dogwood	Kousa Multistem	15-30'x15-30', green foliage turns red/purple in fall, white flowers in spring, rthen red fruit
Cornus x	Dogwood	Hyperion White	20'x20', white flowers in spring, red fruit in fall, green foliage which turns yellow/purple/orange in fall
Cornus kousa	Dogwood	Kousa	15-25'x25', white flowers in spring, red fruit in fall
Cornus kousa	Dogwood	Kousa	
Cornus kousa	Dogwood	Kousa Pink	
Cornus mas	Cornelian Cherry		
		Stellar pink	
GINGKO			
Gingo biloba	Maiden Hair	Common	
HAWTHORN			
Crataegus crus-galli	Hawthorn	Crusader Cockspur	25-35' tall with horizontal branches, long green foliage turns red/orange in the fall, larger flowers bloom in May for 7-10 days, followed by round fruit that ripen to deep red in fall.
HONEYLOCUST			
Gleditsia tricanthos inermis	Honeylocust	Shade Master	50-70'x20-40', fast growing, small green foliage that turns yellow in fall
Gleditsia triacanthos f. inermis	Honey Locust	Skyline	35-45'x30-40', upright, spreading, uniform branches form a broadly pyramidal shade tree. Finely textured, dark green, fern-like foliage turns golden-yellow in fall.
HORNBEAM			
Carpinus	Hornbeam	Fastigiata	
Carpinus betulus	Horn Beam	Frans Fontaine	
HORSE CHESTNUT			
Aesculus x carnea	Horse Chestnut	Fort McNair	35'x25', dark green foliage that turns yellow in fall with pink flowers in spring
	Horse Chestnut	Red Briotti	
JAPANESE MAPLE			
Acer palmatum	Japanese Maple	Emperor 1	
Acer palmatum	Japanese Maple	Emperor 1	15'x15', upright habit, black-red bark, best color in full sun, deep maroon normal maple structured foliage fades to scarlet in the fall, underside of leaf is olive green
Acer palmatum	Japanese Maple	Orange Dream	
Acer palmatum	Japanese Maple	Shaina	
Acer palmatum var. atropurpureum	Japanese Maple	Bloodgood	15-20'x15', upright habit, one of the hardiest of Japanese Maples, burgandy/red normal maple structured foliage turns scarlet in fall, red/black bark
Acer palmatum var. atropurpureum	Japanese Maple	Bloodgood	15-20'x15', upright habit, one of the hardiest of Japanese Maples, burgandy/red normal maple structured foliage turns scarlet in fall, red/black bark
Acer palmatum var. dissectum	Japanese Maple	Crimson Queen	10'x10', dwarf tree, weeping form, crimson color lacey foliage turns scarlet in fall
Acer palmatum var. dissectum	Japanese Maple	Crimson Queen	
Acer palmatum var. dissectum	Japanese Maple	Inaba Shidare	4-8'x8-15', weeping, fast growing, deep purple/scarlet lace foliage turn fiery red in fall
Acer palmatum var. dissectum	Japanese Maple	Inaba Shidare	
Acer palmatum var. dissectum	Japanese Maple	Tamukeyama	6-10'x10-12', weeping, dwarf, purple red lacey foliage turns bright red in fall
Acer palmatum var. dissectum	Japanese Maple	Red Dragon	
Acer palmatum var. dissectum	Japanese Maple	Waterfall	
LILAC			
Syringa meyeri	Lilac Bloomerang	Dark Purple TF	
Syringa pekinensis	Lilac	Copper Curls	25'x25', white lilac blooms in spring/summer, with a copper colored, peeling bark
Syringa reticulata	Lilac	Ivory Silk	20-25'x15-20', creamy white panicles in spring and summer, green foliage, reddish brown bark
Syringa patula	Lilac	Miss Kim Tree Form	6'x6', fragrant lavender panicles in late spring, green foliage
		Bejing Gold	
LINDEN			
Tilia cordata	Linden	Greenspire	40-50'x30-35', pyramidal shaped canopy, fragrant yellow flowers in early summer, dark green heart shaped leaves turn gold in fall

	Common Name	Variety	Description
MAGNOLIA			
<i>Magnolia liliiflora</i>	Magnolia	Jane	
<i>Magnolia virginiana</i>	Magnolia	Sweetbay	10-20'x10-20', white lemon scented blooms in spring and summer, shiny green foliage with silver underside
<i>Magnolia virginiana</i>	Magnolia	The Girls (purple)	12'x15', medium green oval leaves with medium purple/pink tulip shaped blooms in March - April
MAPLE			
<i>Acer saccharum</i>	Maple/Sugar Maple	Sugar	60-75'x30-60', slow growing, medium green leaves turn yellow-orange in fall, maple syrup
<i>Acer saccharum</i>	Maple/Sugar Maple	Legacy	40-50'x30-40', green foliage that turns orange/red in fall, maple syrup
<i>Acer rubrum</i>	Maple	Brandywine	
<i>Acer rubrum</i>	Maple	Red Sunset	40-50'x30-35', green foliage turns red in the fall,
<i>Acer rubrum</i>	Maple	Red Sunset	40-50'x30-35', green foliage turns red in the fall,
<i>Acer rubrum</i>	Maple	Red Sunset	40-50'x30-35', green foliage turns red in the fall,
<i>Acer tataricum</i>	Maple/Tatarican Maple	Hot Wings	15-18'x15-18', green foliage turns red/orange in fall, blossoms of white cluster in May,
	Maple	Green Mountain	
MOUNTAIN ASH			
<i>Sorbus aucuparia</i>	Mountain Ash	Cardinal Royal	30'x20', oval shaped canopy, clusters of white flowers in spring, followed by bright red berries that last into winter, compound leaves with silver undersides turn flaming red in fall
OAK			
<i>Quercus rubra</i>	Oak	Red Oak	60-75'x45', grows 2 feet per year, acorns, green leaves turn russet-red/bright red in fall
PEAR			
<i>Pyrus calleryana</i>	Pear	Cleveland Select Flowering	40'x15-20', columnar canopy, white blooms in early spring, dark green summer foliage turns purple/red/orange in fall
<i>Pyrus calleryana</i>	Pear	Cleveland Select Flowering	40'x15-20', columnar canopy, white blooms in early spring, dark green summer foliage turns purple/red/orange in fall
<i>Pyrus calleryana</i>	Pear	Cleveland Select Flowering	40'x15-20', columnar canopy, white blooms in early spring, dark green summer foliage turns purple/red/orange in fall
PLUM			
<i>Prunus cerasifera</i>	Purple Leaf Plum	Krauter Vesuvius	20'x15', dark purple/black summer foliage, light pink flowers with dark pink centers in spring
<i>Prunus cerasifera</i>	Purple Leaf Plum	Thundercloud	
REDBUD			
<i>Cercis canadensis</i>	Redbud	Forest Pansy	20-30'x25-35', purple foliage that fades to red/orange in fall, pink pansy-like flowers in the spring which turn into bean pods
<i>Cercis canadensis</i>	Redbud	Forest Pansy	20-30'x25-35', purple foliage that fades to red/orange in fall, pink pansy-like flowers in the spring which turn into bean pods
<i>Cercis canadensis</i>	Redbud	Eastern	
<i>Cercis canadensis</i>	Redbud	Eastern Multistem	
<i>Cercis canadensis</i>	Redbud	Ruby Falls Weeping	
REDWOOD			
<i>Metasequoia glyptostroboides</i>	Redwood	Amberglow	30-40'x15-20', upright, pyramidal, fast growing, golden/burgandy foliage in spring, golden/orange in fall, fernlike foliage
<i>Metasequoia glyptostroboides</i>	Redwood	Dawn	70-100'x25', bright green fernlike foliage in spring, dark green in summer, brown in fall
<i>Metasequoia glyptostroboides</i>	Redwood	Dawn	
STEWARTIA			
<i>Stewartia pseudocamellia</i>	Stewartia	Common	
SWEET GUM			
<i>Liquidambar styraciflua</i>	Sweet Gum	American Sweetgum	60-75'x40-50', fast growing, green foliage turns yellow/orange/red/purple in fall, needs ample space for root growth
TULIP			
<i>Liriodendron tulipifera</i>	Tulip	Tulip Poplar	70-90'x40', fast growing tree, bright green leaves that turn yellow in fall. Green-yellow flowers in Spring
WILLOW			
<i>Salix integra</i>	Dappled Willow	Hakro Nishiki	
<i>Salix matsudana</i>	Willow	Corkscrew	20-40'x15-30', fast growing, green foliage turns yellow in fall, corkscrew branch habit

	Common Name	Variety	Description
Salix melano	Pussy Willow	French	
Salix caprea	Weeping Pussy Willow	Pendula	
YELLOWWOOD			
	Yellowwood	American	
ZELKOVA			
Zelkova serrata	Zelkova	Green Vase	60-80'x40-50', upwards branching/vaselike structure, oblong/serrated green foliage which is yellow/orange/red/brown in fall, green insignificant flowers in spring
